

**ONE PURPOSE.
ONE NIGHT.
ONE COMMUNITY.**

Team Christ Church & Friends is Sleeping Out for Community Edition: Asbury Park

We are giving up our bed for one night.

Our Sleep Out helps youth facing homelessness and human trafficking survivors find safe shelter and loving care at Covenant House NJ. That care includes essential services like education, job training, medical care, mental health and substance use counseling, and legal aid — everything they need to build independent, sustainable futures. By joining the Sleep Out or supporting our Sleep Out team, you are supporting the dreams of young people overcoming homelessness.

**Please join our team or support our Sleep Out
by donating by scanning the QR code.**

No matter the size.

Together, we are working towards a future where
every young person has a
safe place to sleep.
